

## ALBERTA HINDI PARISHAD

### President's message:

Namaskar AHP members, children, parents, teachers, volunteers and friends!

First, thank you all for the contributions and engagement in various school and AHP events. It has been exciting 6 months full of school activities including celebrating Diwali, Christmas and Republic Day. On the other hand, the Diwali celebration event was a huge success with your support.

Kudos to the school principal, teachers and assistant teachers for the development of class focused syllabus, which is making the classes more practical and enjoyable for the kids. We are excited to announce the revival of the Hindi library for children as well as parents. Now, the classes will have scheduled time in the library by rotation to maximize the usage of available resources.

We look forward to your continued support for the upcoming events at the school as well as by the AHP Board.

### Requesting Volunteers at the Casino

Alberta Hindi Parishad (AHP) has an upcoming Casino Fundraiser on Monday, May 4 and Tuesday, May 5 at Argyll Casino (7053 Argyll Road NW). By providing volunteers for the two days AHP receives funds from Alberta Gaming and Liquor Commission (AGLC) every two years. These funds go a long way towards running the school, paying the teachers and maintain the building and meeting administrative expenses.

This is an opportunity to contribute towards the school by volunteering for Casino duties. To find out more details call:

## ALBERTA HINDI PARISHAD

### Update from Rohit Sati, V.P Program

AHP celebrated festival of lights “Diwali” in a grand style in November 2019. It was a successful event. With the support from sponsors we managed to make some gains, the AHP general account was credited approx. \$5000.00. This money will be used to promote future AHP events and functions and will also support Hindi School. We have uploaded pictures on our AHP facebook page!

### Our next big event is Holi:

Let's Play Holi” .....that's our theme for the holi event this year. The festival of Holi is all about embracing the traditional way of celebration: some thandai, meetha paan dance, fun and a “holi”some meal. Yes, we got this for you and it will for sure bring the holi wali feeling. It's not over yet! In last hour we have plans to play dry holi with Abeer and Gulaal. Please wear appropriately. For those interested to play holi, we have a designated area to play and enjoy holi. We hereby request our members to join us to celebrate the holi event to be held on March 13th 2020 at the Mirage Banquets.

### Update from Chitra Omkar, V.P School:

Hindi School has created a tremendous amount of memories with every event we celebrated with our students. So far, we have celebrated Hindi Diwas, Diwali, Christmas, Republic day and Holi with lots of enthusiasm, and there is more to come. It is so nice to see students' wonderful performances, where they use Hindi language to the best of their abilities. We are also very excited about our new Library program for Hindi School students. The School has a wide collection of books (fiction, nonfiction and graphic novels). With this new system, students & parents can access literature for their pleasure and learning purposes. Our school is very grateful to all the parents who support their kids with language learning at home. We thank you for your continuous support!

Here are some pictures, again more picture on face book page. Please do visit and like us.
